This Annual Report is available in printed format from the contacts whose details appear above or on the Internet at the abovementioned website address. In addition, AngloGold is producing the Form 20-F (a report required by the Securities and Exchange Commission in the United States), copies of which will be available in printed format from the abovementioned contacts after 31 March 2001.

Supplementary information on mineral resources and development, prepared on a business unit basis, are obtainable from the above sources. Plans of underground workings are also available on request.
